

Find the following places in and around Australia (and write them on your map). You might like to use the internet for this exercise.

- | | | |
|--------------|--------------------------|-----------------|
| - Brisbane | - Tasman Sea | - Darwin |
| - Tasmania | - Great Australian Bight | - Torres Strait |
| - Sydney | - Great Barrier Reef | - Victoria |
| - Queensland | - Canberra | - Adelaide |
| - Perth | - Coral Sea | - Melbourne |

What other interesting places can you look up and mark on your map?
