

When I was a girl I went to

where?

how?

With who?

When I got there

what happened?

---

I felt how did I feel?

Then what happened?

---

I felt how did I feel?

This story makes me feel

how do I feel?

When I was a boy I went to

where?

how?

With who?

When I got there

what happened?

---

I felt how did I feel?

Then what happened?

---

I felt how did I feel?

This story makes me feel

how do I feel?
