POLICE STATION LOCATOR	QPS General Enquiries - 131 444	Use the website tool to find the nearest Police Station to a Queensland location. See website next.	www.police.qld.gov.au/station-locator/station_locator.asp
AMBULANCE	EMERGENCY Telephone Triple Zero (000)	<p>Together with the Queensland Fire and Rescue Service , Emergency Management Queensland and Queensland Corrective Services, the Queensland Ambulance Service is a part of the Department of Community Safety. The Queensland Ambulance Service delivers services to the public from more than 280 ambulance response locations across the State which are organised into seven regions, and are supported by a Central office located at the Kedron Park Emergency Services Facility in Brisbane, Australia. QAS has been providing first aid training to Queenslanders for over 100 years. This includes Courses in First Aid and Injury Prevention and sales of first aid kits, resuscitation masks and other items. QAS co-ordinates a Baby Capsule Hire service for the community, and ambulance staff are fully trained to fit capsules so that babies are safe and comfortable. The QAS provides non-urgent ambulance transport for patients where a doctor/medical officer has approved such transport.</p> <p>To qualify for QAS non-urgent ambulance transport, the patient is required to meet the QAS transport criteria, for example, there must be a clinical necessity/medical reason for the QAS transport to be undertaken.</p> <p>The doctor/medical officer must complete a QAS Medical Authorisation Transport Request form and forward it to the QAS. The QAS requires a minimum of 48 hours notice prior to the requested transport date to ensure resources are available to undertake the transport.</p>	http://www.ambulance.qld.gov.au/default.asp

The Queensland Fire and Rescue Service is a division of the Queensland Government Department of Community Safety and the primary provider of fire and rescue services throughout Queensland.

While fires are best known for turning out to fires in homes, buildings or in the bush, the QFRS provides a vast range of other fire and rescue services including:

- Rescue - road accident and other types of rescue
- Chemical and hazardous material management
- Community awareness and education on fire and road safety issues Building fire safety inspection, investigation and prosecution
- Administering legislation relating to fire and safety, hazardous materials facilities and hazard mitigation
- Rural land management advice regarding the role and use of fire
- Fire scene investigation
- Alarm monitoring and response
- Commercial training in fire fighting, fire safety and evacuation procedures.
